

# Be our guest at breakfast to learn more about St. Elizabeth's School!

Learn about St. Elizabeths' commitment to a community of learners that has a true socioeconomic balance, enabling the school to give a unique opportunity to many deserving and underserved children and resulting in an exemplary learning environment for all.

St. Elizabeth's was recently touted in 5280 Magazine as one of the best private elementary schools in Denver.

## WITH KEYNOTE SPEAKER, PAT BASSETT

*Pat Bassett is President of the National Association of Independent Schools (NAIS), whose membership boasts over 1800 independent schools across the globe. Pat is the "national voice for independent schools and the center for collective action on their behalf." His talk—The Public Purpose of Private Schools— will give great insight into the future of independent schools and how a unique school like St. Elizabeth's fits into that framework.*
